

General Store

Re-drawn (and slightly modified)
from Thomas Salter's original plans
by Tony Hughes

INSTRUCTIONS

Assemble the wall sections A-D first

Cut the roof tiles

Assemble the 3 roof sections next
(remember to do 2 of F)

Cut H & I

Assemble the walls as in fig 2

Start with D, add A & C, then D
finally add E

File the back edges of the roof sections
to about 45 degrees

Fit the small roof first (the one over B)

Finally fit the main roof sections G & F

As a final step add a ridge cut from card

H & I should be cut a little large
and filed to fit after all walls
have been assembled.
